

80TH ANNIVERSARY CONFERENCE

 18th September 2025

 British Motor Museum,
Warwickshire

**Exhibitor and Sponsor
Opportunities**

ABOUT THE EVENT

Join us as we mark 80 years of innovation, expertise, and collaboration in the electro-mechanical industry. This milestone event will bring together end users, rewinders, repair specialists, and industry leaders to explore the challenges and opportunities shaping our future.

- Connect with end users from key industries, including power generation, water, manufacturing, transport, and more.
- Engage with rewinders and service providers, who play a crucial role in extending the life cycle of critical equipment.
- Discover cutting-edge technologies in condition monitoring, motor efficiency, and sustainable engineering solutions.
- Learn from expert-led discussions on improving business processes, driving sales, and embracing a more sustainable future.
- Address the skills gap with a strong focus on apprenticeships and the next generation of electro-mechanical engineers.

Whether you're an AEMT member, an OEM, service provider, supplier, or end user, this event is your opportunity to network, gain valuable insights, and shape the future of our industry.

Don't miss out – be part of this landmark event.

ABOUT THE VENUE

The British Motor Museum, located in Warwickshire, is one of the UK's leading attractions for automotive enthusiasts and history lovers alike. Home to the world's largest collection of historic British cars. Celebrating the past, present and future of British motoring. the museum offers a fascinating journey through the history of the British motor industry, from its earliest days to the modern era.

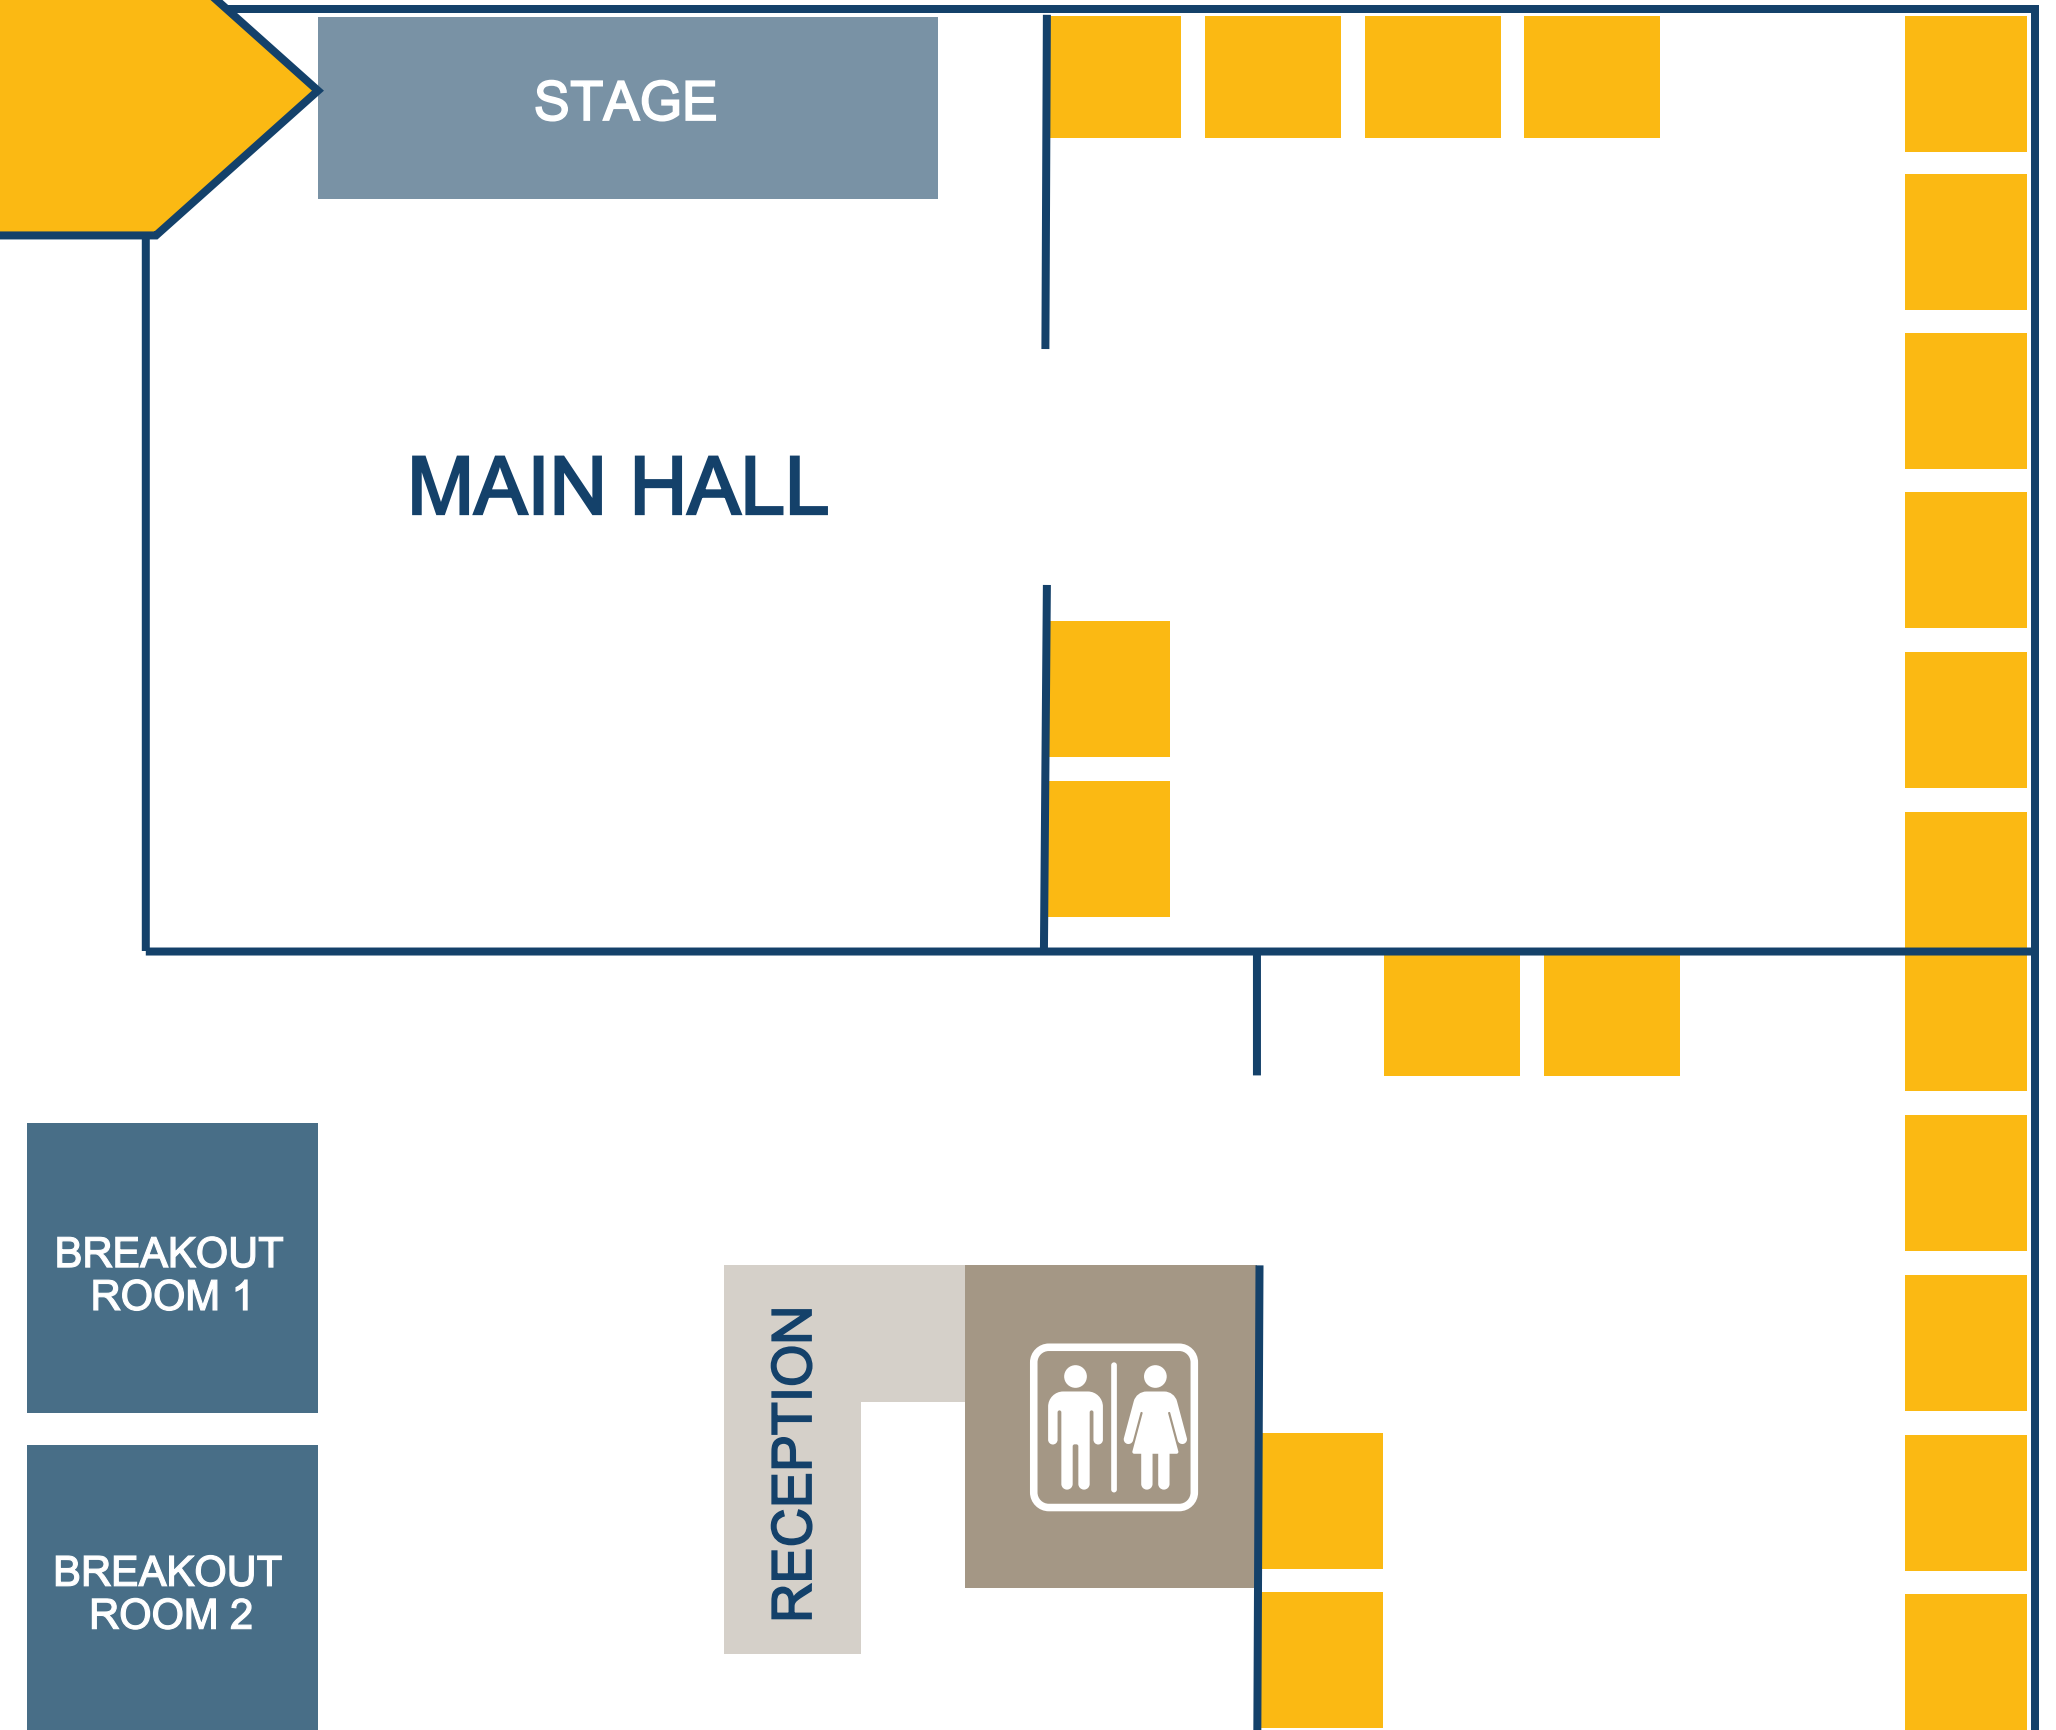

With over 300 vehicles on display, including iconic models from brands like Aston Martin, Jaguar, Land Rover, Mini, and Rolls-Royce, the museum provides a unique insight into the technological and design evolution of British cars. The collection spans more than 100 years of motoring history, making it a truly special venue for anyone interested in cars, design, and engineering.

FLOOR PLAN

The conference will feature an engaging programme, including:

- ✓ Insightful talks from thought leaders on sales, procurement and people culture
- ✓ Dynamic panel discussions
- ✓ Interactive workshops

EXHIBITOR

- Exhibitor stand

Why Exhibit?
